61-17 Contractor Responsibility for Damage to Public Right-of-Way:

- a. Primary contractors shall be liable for the cost of damage to the Town's right-of-way caused by the primary contractor, subcontractors or by delivery vehicles of construction materials, equipment, trash collection containers and the like. Contractors who are judged by the Building Official and/or the Public Works Department to be causing or to have caused or allowed to be caused such damage (including paved streets and unpaved shoulders) shall be liable for the cost of repairing such damage.
- b. Repair of damages to the paved street portion of a right-of-way shall be completed by the Town according to established specifications using a contractor from its established list of contractors and according to a timetable determined by the Public Works Department. Repair of damages to the unpaved portion of the right-of-way (including but not limited to shoulders, swales, and drainage systems) shall be the responsibility of the primary contractor who caused or allowed to be caused said damage and who shall restore the right-of-way to its original condition as specified by the Public Works Department.
- c. The fees charged to contractors for such repairs to the paved streets will be according to the most recent published Street Repair Fee Schedule to be pre-determined by the Public Works Department. Payment of such fees by contractors to the Town will be due immediately upon the issuance of a statement by the Town.
- d. Contractors shall acknowledge by signature, as a condition for received their annual license from the Town, their acceptance of liability of the cost of repairing such damage and the Town's published Street Repair Fee Schedule thereto.
- e. Contractors who are causing or have caused such damage or who fail to pay repair fees immediately or fail to do restoration work immediately will be subject to a stop work order, revocation of license, court proceedings and/or penalties and fines.
